

Clustering Ontario Infrastructure Projects

By Junyi Hou (Harvey)

Status

☐ Complete

☐ Incomplete

Category

All

Cluster

All

4190

Total Projects

2.7M

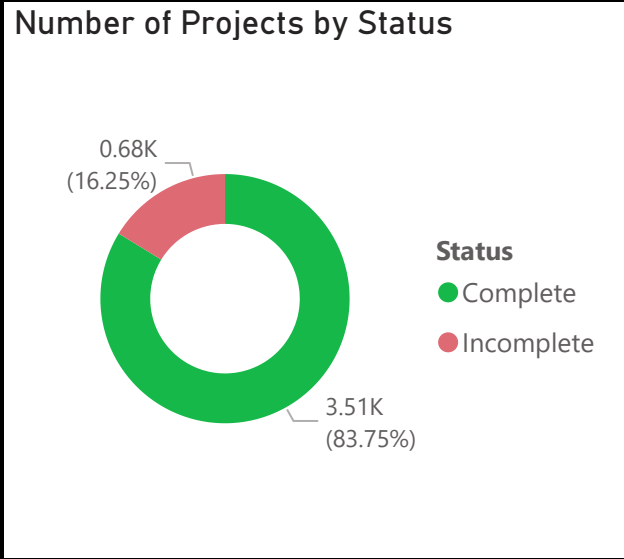

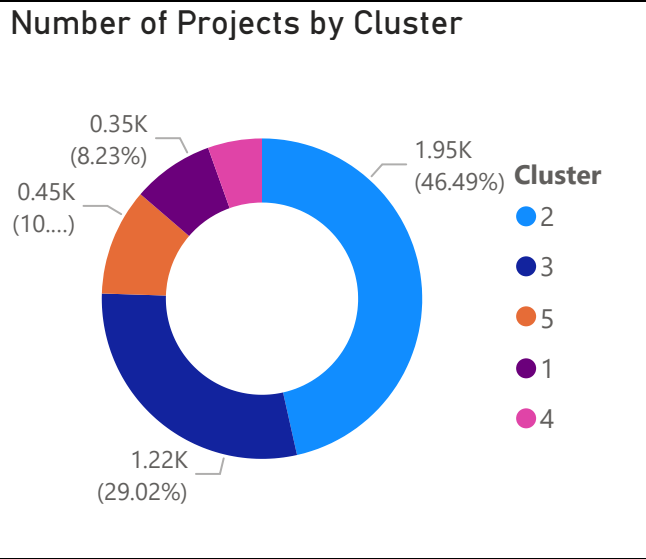

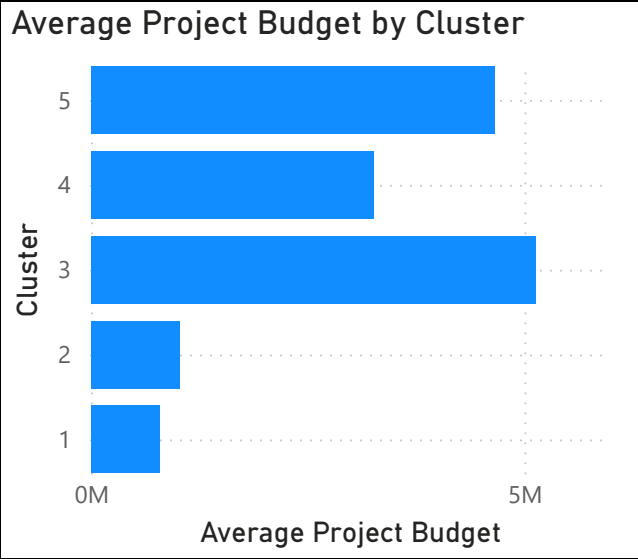

Average Budget for each project

11.3bn

Sum of Total Budget

Key findings:

- Most Education, Health Care and Child care projects only have "Other funding", and these projects have higher budgets.
- Most Community projects have the lower budgets and receives both federal and municple funding.
- About 96% Child care projects are complete, About 95% of Community projects are complete.
- Within expectation. Incomplete projects have higher budgets in general.
